SUMMARY

Third-year BCA student and aspiring Python Developer with a strong interest in software development and backend technologies. Built multiple Python projects to strengthen programming and problem-solving skills, and completed certifications in Python and SQL to expand technical knowledge. Currently focused on deepening backend development skills, learning frameworks, and gaining hands-on experience through projects and internships.

CAREER OBJECTIVE

Seeking an entry-level Python Developer role or internship where I can apply my Python and SQL skills, contribute to backend development, and grow through real-world software projects.

EDUCATION

Bachelor of Computer Applications (BCA) — Bihar National College, Patna University
Expected Graduation: 2027

PROJECTS

Student Management System | Python — GitHub

- Developed a menu-driven console application to efficiently manage student records.
- Implemented CRUD operations for adding, viewing, searching, updating, and deleting student records.
- Added automatic grade calculation, student ranking, and marks-based sorting, along with performance analysis using highest, lowest, and average marks.
- Used functions, lists, dictionaries, loops, and conditional statements to structure the application.
- Strengthened practical skills in Python programming, data management, problem-solving, and logical thinking.

SKILLS

- **Python Programming:** Applied core Python (functions, lists, dictionaries, loops, conditionals) to build a working console application; practiced structuring code into modular, reusable logic
- **SQL & Databases:** Working knowledge of SQL/MySQL for storing, querying, and managing structured data
- **Development Tools & IDEs:** Version-controlled and published projects using Git and GitHub; developed and debugged code in VS Code

CERTIFICATIONS

- **Python Programming** — Reliance Foundation Skilling Academy | 2026
- **SQL for Beginners** — Scaler Topics | 2026
- **Cyber Security & Network Analysis** — NIELIT Patna | 2025
- **Information Security Analyst** — NASSCOM / Skill India Digital Hub | 2026
